Dear Ones,

Thanks for participating in our video church. I must say, I missed your bright eyes and motivating presence. Marilyn thanks for listening after you pushed the record button. It kept me going.

Please take our study to the next level as you personalize the message from God's word. It focuses on the gift of the Holy Spirit when we pray. Texts include Luke 11:1-13; John 14-16; Romans 8. Here are questions to personalize and talk about as you take it to heart:

1. Read through Romans 8. Which words or phrases help you understand the gift that the Holy Spirit is to your prayer life?
2. What does the Holy Spirit do to increase your intimacy with God in prayer?
3. How are you, in the Spirit, growing in confidence in the Lord when you pray?
4. Describe a time when the Holy Spirit groaned with you in prayer (Rom 8:26-28).

I neglected to just remind you, in my previous email message, to please continue giving your tithes and offerings through various forms of on-line giving and through the USPS. Our stewardship continues to be an expression of our worship and love for God and His ongoing work at home and through our missionaries.

Remember you may give on-line from [CalvaryWhittier.org](http://CalvaryWhittier.org), through our Church Center app on your smart phone, or by texting the dollar amount to 84321. If you are have questions regarding on-line giving text Pastor Dennis at 626-475-8080.

Be well. Stay connected with us and with each other.

Pastor John
