

What do you think Jesus is seeing in the eyes of the people who are in your inner circle? How does he see people in your community: the people behind the masks and other personal protective barriers? How does he want us to act toward them in the here and now? How are you praying for them? Why did Jesus lay out a strategy for our prayers regarding those he sees as ready for the gospel?

The gospel is for everyone

God wants us to see people as clearly as he does:

- *Harassed*

- *Helpless*

- *Shepherd-less*

We are part of God's master plan for them

- *What a huge harvest*

- *Pray for harvest hands*

Application and Conversations:

1. How do you think people are looking at you these days?
2. How is your purpose in life affected by all that is happening here and all over the world?
3. What does God see is the destiny of the people who regularly cross your paths?
4. What did Jesus mean when he said the harvest is great, but the workers are few?
5. Why does God tell us that we are to ask him to send more workers into the fields he says are ready for harvest?
