

People resemble the idols they worship. The danger of imitating the world around us is becoming indistinguishable from the world. Paul exhorts us *“not be conformed to this world but be transformed by the renewal of your mind”* (Romans 12:2). As God’s Children we have been declared holy through the righteousness of Jesus Christ. However, it is possible for us to allow our fire to be reduced to just a few embers if we idolize the false gods of world.
