

Why do you believe what you believe? History is replete with the accounts of people who put such trust in Christ that they staked their whole lives on it. The Apostle Paul wrote to the Galatian churches because false teachers were threatening their confidence in Christ with a counterfeit gospel. So, we focus this Sunday on the reliability of the gospel. We need to make sure we know why we believe so that we *take action on the message received*.

Your actions are the evidence!

Personal Application and Conversations

1. How do you know what to believe?
2. What makes you think you can trust the message of the gospel?
3. The message received was the revelation of the Lord Jesus Christ. How was the truth of the gospel effectively revealed to you?
4. How does the account of Peter's hypocrisy help you understand your own conflict between living by faith and living according to the flesh?
