

**W**hat do you do to remember which way to go? OK, I know, these days we're use to GPS on our phones, but do you ever have nightmares that you just don't know where you are? Can you recall a time when you felt like you were hopelessly lost? You know, it's not uncommon for most of us to feel a bit lost in terms of our confidence in God. After all, it's been happening across time even for people who have had amazing experiences with God.

Over the past week, I've been **reminded** how important it is for us to **remember the Way**. Jesus told our friend, doubting Thomas, "*I am the way and the truth and the life. No one comes to the Father except through me*" (John 14:5-6, NIV). It would not be long before the earliest followers of Christ were referred to as followers of the Way (Acts 9:2). How is remembering Jesus, shaping your confidence in Him when you pray and look for direction as to what to do next?

### ***The paths of righteousness (2:17-21)***

- ***Wrong way***
  
- ***The One Way***

### ***Actively trusting the Way.... (2:20)***

### ***Check your receipts (3:1-5)***

### ***How's your credit? (3:6-14)***

## ***Personal Application and Conversations***

1. Describe a time when you were lost or “turned around”.
2. How do you personally know who you can trust?
3. What is in your spiritual memory bank?
4. What did you see in Jesus that continues to stir your trust in Him?
5. How confident are you that you can trust what you’ve seen and heard about the Lord?
6. Paul talks about God crediting our trust in Christ as righteousness. Why does it seem He recognizes faith over what many believe to be acts of righteousness?
