Why Do We Keep Talking About the Resurrection?

I Corinthians 15

Pastor John Ploog

Why do you think Paul wrote so many paragraphs in his already long letter to the church at Corinth? Why should they believe him? He wasn't one of the original witnesses of the resurrected Jesus, was he? And why do we keep resurrecting resurrection Sundays every year? What does all this have to do with us? From what God's people have discovered in these paragraphs of God's Holy Word, ***the resurrection is fundamental/foundational to our faith.***

It's a fact (15:1-11)

It's a polemic (15:12-19)

It's God's idea (15:20-28)

It has implications (15:29-34)

It's our future (15:35-58)
