

Personal Application and Conversations

1. How have you been impacted by the spiritual gift of 2 or 3 friends from Calvary/El Calvario Ministries?
2. What have you been doing to exercise your spiritual gift(s)?
3. How have you come to understand your spiritual giftedness in this ministry?
4. What do you enjoy most as you and your friends employ your spiritual gifts?
5. What should we be doing to engage more of us in the use of our spiritual gifts?
6. Talk with some of your Calvary friends about the ways God is working through those spiritual gifts He has placed strategically in our local chapter of the body of Christ.

How have you been affected by the spiritual gifts of some of your friends at Calvary? Have people talked to you about specific spiritual gifts they think the Holy Spirit has given you?
