## APPLICATION

**M**ysteries are normally hidden and take a while to be revealed. They can reveal some great truths or some hard ones. The mystery of Godliness can be misunderstood to be a Gnostic spiritual secret that only the holy people in church know about it. That couldn't be any further from the truth. Thanks to Jesus one can grow to be like Christ. This mystery was revealed In Christ for us all.

For our church

Principals

**Principal 1: we need to be fully following Christ, not looking back at our sin.**

**Principal 3: The mystery of how one can go from the state of sin to be a follower of God's law is in the person and work of Jesus Christ.**

For you

**Principal 5: Godliness is not attained by your working as much it is attained through Christ working in your life.**

**Principle 6: In your sin, Christ always is the way of escape.**

**Principal 7: God's word is the primary way we kill sin in our lives and spend time with Christ.**
